Prize Presentation

If you can, please stay for the prize presentation, which takes place as soon after the finish as possible.

Parking (important!)

Part of the charm of this race is that it is nestled in the Peak District. However, with that comes the fact that Longnor is a rather small village that is not designed to cope with over 150 riders and assorted volunteers/marshals/spectators who make the race such a spectacle. So please can all competitors take note of the following information.

There is NO competitor or spectator parking at the HQ. Please park in Longnor's central square and streets (if you are early enough!), taking care not to obstruct or inconvenience residents, and on the roads leaving Longnor towards Monyash and Wardlow. Specifically, **please do not park on the course**, including the stretch following the left turn after the finish. Please share cars if possible.

We have received complaints concerning people associated with the event peering through windows of Longnor residents. **Please could you respect local residents' privacy.**

Finally, please **do not warm up outside properties in Longnor village using static rollers or turbo trainers.**

There were a number of incidents in 2017 that nearly resulted in us losing this event and your assistance in respecting the privacy of Longnor residents is very much appreciated.

There will be roving marshals to check on this and any competitor who contravenes the above requests will be liable to disqualification from the event.

Regulations

- Riders must exercise caution at all junctions. Any competitor who crosses the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.
- No "U" turns in the vicinity of the start and finish. Observers will be watching.
- Head up and observe local regulations at all times.
- Pace must not be given or received and the onus is on the caught riders to adhere to this rule.
- All riders must sign on when collecting their number.
- Riders must also sign when they return their number or they will be recorded as DNF.

Warnings

- Please remember this is a mountain time trial, so bring some low gears, good tyres and brakes, and take care on the descents. Most riders should be OK with 39 x 23 bottom gear.
- Please avoid riders who are just setting off as you come through the start.
- Please avoid parking on the course, particularly on Carder Green.
- Do not congregate at the finish. Times will be available at the HQ.

Event Sponsorship

Detail Design Engineering

Once again Buxton CC has received very generous cash sponsorship from Detail Design Engineering Ltd to allow us to offer great prizes across the board.

Unequaled expertise has earned Detail Design Engineering an enviable reputation across a broad spectrum of private and public sector clients for the design, installation and maintenance of building management systems.

Hotel Milano Helvetia, Italy

The Buxton CC Mountain TT has also been sponsored for a third year by Hotel Milano Helvetia, Riccione in Italy (www.hotelmilano.net), one of the area's famous "Bike Hotels". The hotel is offering prizes of 2 five day stays at the hotel on their "Plus" package for cyclists, one for the winner of the Men's/Espoirs' event and one for the winner of the Women's event. During their stay, the package will give our winners bed, breakfast, evening meal and post-ride afternoon buffet along with the assistance of a guide to show them the best local routes (with the hotel's other guests of course). The prizes don't include air fares but many UK airports have budget routes to destinations in north eastern Italy which allow easy transfers to the hotel by bus, train or taxi. Bike hire is available at the hotel.

The Hotel Milano Helvetia will, in addition, be offering a 10% reduction on the cost of their stay (excluding extras like bike hire and bar bills, of course) to ALL ENTRANTS to the event!

Sett Valley Cycles

Sett Valley Cycles is the Buxton CC club sponsor, supporting us in many ways in addition to their prizes for the Buxton Mountain TT. Sett Valley Cycles is a traditional bike shop with a professional workshop. It is situated in the heart of New Mills on the edge of the Peak District, one of the most spectacular areas in the country for both road and mountain biking.

Prize List

The prizes below are in addition to those provided by CTT which are listed on the cover of this start sheet.

The fantastic sponsorship we receive enables us to offer one of the best prize lists in the country. We have equal prize lists for everyone.

Athlete cash prizes

In addition to the general prizes there is also a specific athletes prize category. As these are a separate category they can be awarded in conjunction with the above general prizes. The Athletes' Prizes are awarded to the fastest riders who complete the 2-lap and 3-lap events using "road race equipment" rather than "time trial equipment". This means that riders will use standard road bikes without aero extensions (including clip-ons) and will not wear time trial helmets. Disc wheels are not permitted but all others that could be used in a road race will be accepted. Eligibility will be assessed on the start line by the timekeeper whose decision will be final.
