The weather for the Buxton Mountain Time Trial tends to be either very good or very bad and this year it looked like it would be awful with very low cloud, drizzle and reduced visibility but as the event started it changed to windy with showers. The event was again a big one with an entry of 172 riders, and, to everyone's credit, it once again went well. The assistance with analysing and displaying the results by Stewart Smith, the overall organiser of the Knight Composites Classic Series, along with the efforts of those listed above, kept things firmly on track. A huge thank you to all the marshals and helpers who worked so hard to make it happen.

Congratulations to Hayley Simmonds who won at her first attempt and to Brett Harwood who fought off a strong challenge from espoir Jack Rebours, finally winning by 28 seconds. Ben Watson won the paracyclists event, beating last year's winner Rik Waddon. The juniors race was the closest of all with Adam Robertson and Thomas Cornwell tying for 1st place having been only 2 seconds apart after the first lap. Danny Axford was the fastest veteran but was only third when compared to target time losing out to 70 year old David Hargreaves.

Finally, thanks again to our sponsors who have ensured that this event has one of the best prize lists in English time trialling!

## **Event Sponsorship**

### **Detail Design Engineering**

Once again Buxton CC has received very generous cash sponsorship from Detail Design Engineering Ltd to allow us to offer great prizes across the board.

Unequalled expertise has earned Detail Design Engineering an enviable reputation across a broad spectrum of private and public sector clients for the design, installation and maintenance of building management systems.

### **Hotel Milano Helvetia, Italy**

The Buxton CC Mountain TT has also been sponsored for a second year by Hotel Milano Helvetia, Riccione in Italy ([www.hotelmilano.net](http://www.hotelmilano.net)), one of the area's famous "Bike Hotels". The hotel gave 2 prizes of five day stays at the hotel on their "Plus" package for cyclists, one for the winner of the Men's/Espoirs' event and one for the winner of the Women's event. During their stay, the package will give our winners bed, breakfast, evening meal and post-ride afternoon buffet along with the assistance of a guide to show them the best local routes (with the hotel's other guests of course). The prizes don't include air fares but many UK airports have budget routes to destinations in north eastern Italy which allow easy transfers to the hotel by bus, train or taxi. Bike hire is available at the hotel.

The Hotel Milano Helvetia will, in addition, be offering a 10% reduction on the cost of their stay (excluding extras like bike hire and bar bills, of course) to ALL ENTRANTS to the event!

### **Sett Valley Cycles**

Sett Valley Cycles is the Buxton CC club sponsor, supporting us in many ways in addition to their prizes for the Buxton Mountain TT. Sett Valley Cycles is a traditional bike shop with a professional workshop. It is situated in the heart of New Mills on the edge of the Peak District, one of the most spectacular areas in the country for both road and mountain biking. They awarded limited-edition SVC coffee cups and Peak Bean coffee as prizes on the day.

### **The Old Wooden Spoon Bakery**

The Old Wooden Spoon Bakery, which is run by Buxton CC member Louise Clark, produces delicious home-made cakes for sale in local outlets including Tea on the Green Cafe in Chinley. Louise offered cakes as prizes but only on the day giving a good reason to stay for the presentations.

### **Chapel Physiotherapy Clinic**

Chapel Physiotherapy Clinic awarded 4 prizes to Buxton CC entrants: 1st man, 1st woman, 1st male veteran and 1st female veteran. Prizes consist of an injury assessment at the clinic for those who might need it or, alternatively, a sports massage.

### **JJ McDonald**

JJ has been a member of Buxton CC for 60 years and, to celebrate this, is giving a prize of £20 to the 60th fastest rider (from all events) after 2 laps
